

To whom this may concern,

BlueSky Technology Partners, Inc. completed their annual Attestation of Compliance for Self-Assessment Questionnaire D (AOC SAQ-D) for PCI DSS Compliance and provided that documentation to Fiserv on July 05, 2022. Fiserv processed and forwarded the documentation to VISA on July 14, 2022. The following results were made available by VISA to Fiserv and BlueSky on July 31, 2022:

**Subject: PCI DSS Compliance – Validation Documents
Accepted (BID:10085217 BlueSky Technology Partners, Inc.)**

Validated Service Provider: BlueSky Technology Partners, Inc.

**Visa Business ID (BID): 10085217
Next Validation Date: 07/31/2023**

Congratulations on demonstrating compliance with the Payment Card Industry Data Security Standard (PCI DSS). We appreciate your continued support and commitment to safeguarding the payment industry.

Please note that Visa requires revalidation every 12 months. BlueSky's next validation date is July 31, 2023.

Congratulations again.

Thank you,

Becky King
Business Risk Manager
