

To whom this may concern,

BlueSky Technology Partners, Inc., doing business as BlueSky Commerce, completed their annual Attestation of Compliance for Self-Assessment Questionnaire D (AOC SAQ-D) for PCI DSS Compliance and initially provided that documentation to Fiserv on July 1, 2026. Fiserv performed a full review, processed and forwarded the documentation to VISA on July 1, 2026, and to Mastercard again on July 1, 2026. The following results were made available by VISA and Mastercard to Fiserv and BlueSky Commerce:

**Subject: PCI DSS Compliance – Validation Documents
Accepted (Visa BID:10085217 and MC ID: 268921 for BlueSky
Technology Partners, Inc.)**

Validated Service Provider: BlueSky Technology Partners, Inc.

Visa Business ID (BID): 10085217

Mastercard ID: 268921

Next Validation Date: 06/30/2027

Congratulations on demonstrating compliance with the Payment Card Industry Data Security Standard (PCI DSS). We appreciate your continued support and commitment to safeguarding the payment industry.

Please note that Visa and Mastercard require revalidation every 12 months. BlueSky Commerce's next validation date is June 30, 2027.

Congratulations again.

Thank you,

Becky King
Fiserv, Business Risk Manager
